Pastor's Comments for newsletter:

Thank you to everyone who contributed to Hurricane Dorian relief. We collected just over \$1000 to help Presbyterian Disaster Assistance provide aid in localities that were stricken by the storm. Your giving contributes to the restoration of lives in North Carolina and the Bahamas. Please keep these residents in your prayers.

This photo from the *Raleigh News and Observer* shows how storm surge at Cape Hatteras carved out a deep slice of beach in the Outer Banks, exposing sea turtle eggs that had been buried in the sand.

In the last few years, North Carolina has seen a significant increase in sea turtle nesting

and the National Park Service believes that 75% of North Carolina nests remained intact following the storm.

This month at the church has begun well with our Rally Day and youth -led worship service. Tomorrow, Saturday, men's breakfasts resume and in the evening the Shelbyville Community Soup Kitchen will hold its fundraiser dinner. Young members of our church will be working this event serving dinner to patrons. What a great way for them to learn the merits of service.

The Associate Pastor Nominating Committee will be meeting this Sunday evening and are on their way to fulfilling dreams of our young families and hopefully bring stability and even growth to our church. Please pray for them as they meet.

Monday evening, the Session meets. Next Sunday is fifth Sunday lunch.

See you Sunday for church,

Allen
